

SAFEGUARDING POLICY.

Reporting a Safeguarding Concern within the Tennis Environment

How to respond to allegations against a member of staff/volunteer or another young person within the Tennis Environment

Safeguarding Policy

1. Policy statement

Northern Aces Tennis Club ('Northern Aces' or the 'Club') is committed to prioritising the well-being of all children and adults at risk, promoting safeguarding in our Club at all times, including all programmes and events we run. This Policy strives to minimise risk, deliver a positive tennis experience for everyone and respond appropriately to all safeguarding concerns/disclosures.

2. Use of terminology

Child: a person under the age of eighteen years.

Note that some legislation in Scotland defines a child as a person under sixteen years old. However, where there is any safeguarding concern, anyone under the age of 18 is regarded as a child unless advised otherwise by the LTA Safeguarding Team .

Adult at risk: a person aged eighteen years or over who is, or may be, in need of community care services by reason of disability, age or illness; and is, or may be, unable to take care of, or unable to protect him or herself against abuse or neglect.

Safeguarding children: protecting children from abuse and neglect, preventing the impairment of children's health or development, ensuring that they grow up in circumstances consistent with the provision of safe and effective care, and taking action to enable all children to have the best life chances.

Safeguarding adults at risk: protecting adults from abuse and/or neglect. Enabling adults to maintain control over their lives and make informed choices without coercion. Empowering adults at risk, consulting them before taking action, unless someone lacks the capacity to make a decision, or their mental health poses a risk to their own or someone else's safety, in which case, always acting in his or her best interests.

(See appendix A for full glossary of terms).

3. Scope

This Policy is applicable to all staff, volunteers, committee members, coaches and Club members. It is in line with national legislation and applicable across the UK.

Advice, guidance and support is available from the LTA Safeguarding Team.

4. Responsibility for the implementation of the Safeguarding Policy, Code of Conduct and Reporting Procedure

SAFEGUARDING IS EVERYONE'S RESPONSIBILITY: NOT RESPONDING TO A SAFEGUARDING CONCERN IS NOT AN OPTION.

- Our Club's Committee has overall accountability for this Policy and its implementation
- Our Club Welfare Officer, Aidan Fielding, is responsible for updating this Policy in line with legislative and Club developments
- All individuals involved in/present at the Club are required to adhere to the Policy and Code of Conduct
- The LTA Safeguarding Team and Tennis Scotland, Tennis Wales and Tennis Foundation Safeguarding Leads can offer support to help Clubs proactively safeguard.

Where there is a safeguarding concern/disclosure:

- The individual who is told about, hears, or is made aware of the concern/disclosure is responsible for following the Reporting a Safeguarding Concern Procedure shown in the flowchart at the beginning of this policy. Unless someone is in immediate danger, they should inform their Club Welfare Officer, LTA Safeguarding Team or National Safeguarding Lead.

- The Club Welfare Officer and Safeguarding Leads are responsible for reporting safeguarding concerns to the LTA Safe Safeguarding Team.
- The LTA Safeguarding Team is responsible for assessing all safeguarding concern/disclosures that are reported to them and working with the Club Welfare Officer and National Safeguarding Leads to follow up as appropriate on a case-by-case basis, prioritising the well-being of the child/ adult at risk at all times. Breaches of this Policy and/or failure to comply with the outlined responsibilities may result in the following:

- Disciplinary action leading to possible exclusion from the Club, dismissal and legal action
- Termination of current and future roles within the Club and roles in other Clubs, the LTA, Tennis Wales, Tennis Scotland and the Tennis Foundation.

Actions taken by players, parents or carers, staff, consultants, volunteers, officials, coaches inside or outside of the Club that are seen to contradict this Policy may be considered a violation of this Policy.

Where an appeal is lodged in response to a safeguarding decision made by the Club, the individual should adhere to the Club’s appeal procedure.

6. Whistleblowing

Safeguarding children and adults at risk requires everyone to be committed to the highest possible standards of openness, integrity and accountability. As a Club, we are committed to encouraging and maintaining a culture where people feel able to raise a genuine safeguarding concern and are confident that it will be taken seriously.

What is whistle blowing?

In the context of safeguarding, “whistle blowing” is when someone raises a concern about the well-being of a child or an adult at risk.

A whistle blower may be:

- a player;
- a volunteer;
- a coach;
- other member of staff;
- an official;
- a parent; or
- a member of the public.

How to raise a concern about a child or an adult at risk at the Club

If a child or an adult at risk is in immediate danger or risk of harm, the police should be contacted by calling 999.

Where a child or an adult at risk is not in immediate danger, any concerns about their well-being should be made without delay to the Club Welfare Officer. The Club Welfare Officer will pass the details of the concern on to the LTA Safeguarding Team at the earliest opportunity and the relevant local authority and the police will be contacted, where appropriate.

If, however, the whistle blower does not feel comfortable raising a concern with the Club Welfare Officer, the whistle blower should contact the LTA Safeguarding Team directly on 020 8487 7000, the Local Authority Designated Officer (LADO) or the NSPCC on 0808 800 5000.

The Club Welfare Officer **Aidan Fielding** can be contacted at aidanhf@googlemail.com 0788 049 7307

Information to include when raising a concern

The whistle blower should provide as much information as possible regarding the incident or circumstance which has given rise to the concern, including:

- their name and contact details (unless they wish to remain anonymous);
- names of individuals involved;
- date, time and location of incident/circumstance; and
- whether any witnesses were present.

What happens next?

All concerns raised by a whistle blower about the well-being of a child or an adult at risk will be taken seriously and every effort will be made to deal with each concern fairly, quickly and proportionately.

If the whistle blower does not believe that the concern has been dealt with appropriately and wishes to speak to someone outside the Club or the LTA Safeguarding Team, the NSPCC Whistleblowing advice line should be contacted on 0800 028 0285 or by emailing help@nspcc.org.uk.

Support

The Club will not tolerate any harassment, victimisation or unfair treatment of, and will take appropriate action to protect, whistle blowers when they raise a concern in good faith.

Appendix A: Glossary of Terms

Safeguarding: protecting **children** from abuse and neglect, preventing the impairment of children's health or development, ensuring that children are growing up in circumstances consistent with the provision of safe and effective care, and taking action to enable all children to have the best life chances. Enabling **adults at risk** to achieve the outcomes that matter to them in their life; protecting their right to live in safety, free from abuse and neglect. Empowering and supporting them to make choices, stay safe and raise any concerns. Beginning with the assumption that an individual is best-placed to make decisions about their own wellbeing, taking proportional action on their behalf only if someone lacks the capacity to make a decision, they are exposed to a life-threatening risk, someone else may be at risk of harm, or a criminal offence has been committed or is likely to be committed.

Abuse and neglect

Physical abuse: A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child or adult at risk. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces illness

Sexual abuse: Involves forcing or enticing a child or young person to take part in abuse sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children

Emotional abuse: The persistent emotional maltreatment of a child or adult at risk such as to cause severe and persistent adverse effects on their emotional development. It may involve conveying to a child/ adult at risk that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person; not giving them opportunities to express their views; deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed, including interactions that are beyond a child or adult at risk's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing them participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing a child or adult at risk to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

Neglect: The persistent failure to meet a child/ adult at risk's basic physical and/or psychological needs, likely to result in the serious impairment of their health or development. It may involve a parent or carer failing to:

- provide adequate food, clothing and shelter (including exclusion from home or abandonment);
- protect a child/ adult at risk from physical and emotional harm or danger;
- ensure adequate supervision (including the use of inadequate care-givers); or
- ensure access to appropriate medical care or treatment.

It may also include neglect of, or unresponsiveness to, a child's or adult at risk's basic emotional needs. Neglect may occur during pregnancy as a result of maternal substance abuse.
